Sir:

AMENDMENT

In response to the Office Action mailed January 28, 1992, please amend the above-identified application as follows:

In the Claims:

41. (amended) A method for treating a condition chosen from emesis, [a gastro-intestinal disorder] a gastrointestinal disorder treatable with prokinetic agents, [CNS disorder] a cognitive disorder, psychosis, anxiety/depressive state, obsessive/compulsive behavior, [a cardiovascular disorder] hypertension, arrhythmia, and pain in an animal in need of such treatment, which method comprises administering a therapeutically effective amount of a compound of Claim 1 to such animal.

42. (amended) A method of Claim 41 in which the condition is a gastrointestinal disorder treatable with prokinetic agents.
